

# Take care of the people who matter most.

**This service is a straightforward, convenient process that takes just minutes. To access this service:**

- Log on to NetBenefits® at [www.401k.com](http://www.401k.com)
- Click “Your Profile”
- Click the “Beneficiaries” link and follow the instructions provided

The beneficiaries you designate will receive payment of benefits provided under the plan in the event of your death. Taking a few minutes to name your beneficiaries now will help ensure that your plan assets will be distributed according to your direction.
